

CORPORATE MEMBERSHIP

Building A Stronger Workforce

We can create a partnership in well-being to provide a healthier work environment for your employees. By connecting with the Y, your employees receive personalized service that supports them on their journey to get and stay active as they are more engaged in a healthier lifestyle. The YMCA offers programs that actively engage the entire family and your employees will appreciate your genuine investment in their health and well-being.

Hastings YMCA Corporate Agreement

The Hastings Y offers a corporate agreement with two levels. No minimum number of employees required to enroll.

LEVEL 1

Your employees receive waived join fee, and a 5% Discount on any Y membership type. Your company does not pay anything, only agrees to offer payroll deduction for their YMCA membership dues.

LEVEL 2

Your employees receive waived join fee. Your company offers payroll deduction for YMCA membership and contributes a minimum of 5% towards your employee's dues. The YMCA will discount 5% and match your contribution with an additional 5%, resulting in a 15% discount for your employees' YMCA Membership.

Corporate Membership Program
HASTINGS FAMILY YMCA

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

YMCA Corporate Membership is an added employee perk with health benefits that last a lifetime. As a Y supporter, you're providing our community with advantages that surpass individual fitness. Every day the YMCA is directly involved in making a positive impact, with a focus on youth development, healthy living and social responsibility. The Y offers a wide range of programs that strengthen individuals such as adult and youth sports, preschool, swim lessons, school-age childcare and a variety of volunteer opportunities.

"We pay half of our employee's YMCA membership dues because we are proud to invest in our people and encourage them to be proactive with their health."
 ~Pat Mertens, Centennial Plastics

WHY OFFER A PROGRAM IN PARTNERSHIP WITH THE Y?

Healthy, happy people are good employees. A well-rounded benefits package, one that includes a discounted YMCA membership, is attractive for your current and potential employees. Working parents need quality, safe child care and a nurturing facility that will encourage activity for the whole family.

The Y is a cause driven organization offering a partnership designed to help reshape your workplace culture to show you care about the wellness of your employees.

TOGETHER, WE CAN...

- Promote proactive health and wellness in and beyond the workplace, creating a healthy environment for all.
- Motivate employees to adopt and keep a healthy lifestyle.
- Provide a social, recreational outlet for activity that embraces the family unit.
