

CAMP EIGENBERG

Help Your Child Have The Best Summer Ever

Are you ready for an adventure? Join us for our Outdoor Summer Camp! Children will have different activities they can choose to participate in plus free time to enjoy cooling off in the pool, play on the playground equipment, and show their skills with group games. Can't make it there to pick your child up right away, no worries, each child will get a wrist band that allows them admittance to both Y's for the rest of the day.

What are the True Benefits of Summer Camp?

Attending a camp where no electronic devices are allowed gives children the chance to get out and be active, while meeting new people and making new friends. It is a way to introduce the outdoors and wildlife and hopefully fuel an interest that keeps growing. Children at Camp Eigenberg will learn skills that will last a lifetime such as fishing, archery, and kayaking in a safe environment. Our dedicated group of staff and volunteers have a true love for the outdoors that they want to share with youth in and around Hastings.

In the top right corner, there is a yellow circular graphic containing the text "BEST SUMMER EVER" in white, bold, sans-serif capital letters.
