

Since 1881, the Hastings Family YMCA has been strengthening our community by connecting people to their potential, their purpose and each other.

While our programs and facilities have changed over the years, our mission – to put Christian principles into practice through programs that build healthy spirit, mind and body for all – has remained the same.

We **NURTURE** the potential of thousands of kids and teens each year, caring for them after school and in the summers, teaching them valuable life (and life-saving) skills, and helping them discover their leadership potential.

We **ENCOURAGE** people of all ages to live healthier lives through recreation, wellness programs, nutrition education, and more.

We launched the Building What Matters Campaign because we are committed to ensuring the YMCA remains a vital part of Hastings' community life. We know the benefit our YMCA brings to the 8,000+ members we serve directly. We also know the benefit a Y brings to the businesses, schools and other nonprofits in our region.

The Y is ready to **BUILD WHAT MATTERS.**

WILL YOU JOIN US?

**WITHIN THE WALLS OF OUR FACILITY,** kids, families and seniors play, laugh and work together to improve their lives. Managing two facilities has proved unsustainable for the Hastings YMCA, leading YMCA staff and volunteers to reimagine our Y, combining, renovating and adding space to meet the needs of generations to come.

**TOTAL NEED: \$13.9 MILLION**

# BUILDING ON OUR LEGACY

Our YMCA was founded, and our facilities built, by visionary leaders who inspired the generosity of our community. Will we save that same legacy for future generations?

To preserve that legacy, we need to be careful stewards of our financial resources. By combining our facilities and renovating and enhancing our 16th Street location, we will make our Y a more attractive, accessible and enjoyable part of the Hastings community.

Through gifts to the YMCA Endowment Fund and the YMCA Annual Giving Campaign, we can:

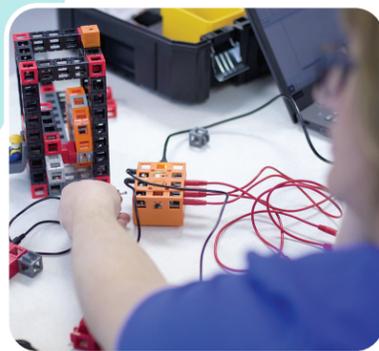

-  **ENSURE** that programs and membership remain affordable for all

---

-  **BUILD** maintenance reserves to keep our facility functioning well

---

-  **PROVIDE** a stable financial base for the YMCA in times of economic distress

 **GROWTH TARGET: \$500,000**

“ This is an important time in the history of the Hastings YMCA. We have the opportunity to ensure that future generations have the same strong, vibrant Y that has been such a benefit to our families. Join me in helping build what matters.”
